

News from the Westlake Education Foundation

Candle Sale Fundraiser

The 2010 WEF Candle Sale is underway. Candles will be available at each school for sampling and purchase. Order forms are also available on the Westlake Education Foundation website: www.WestlakeEducationFoundation.org. Candles can be purchased \$8.00 each or 3 for \$20.00. Thank you for your generous support of the Westlake Education Foundation.

Teacher Grant Applications

(An Announcement to All Teachers for the Westlake Schools)

The 2010-2011 Teacher grant applications are now available for all teachers in all schools through Pam Griebel, Director of Academic Services. Copies of the application will also be available on the Westlake Education Foundation web site: www.WestlakeEducationFoundation.org.

Funding will be available for the second semester of the 2010-2011 school year! The deadline for submission of an application is **Friday, October 29, 2010**. We are looking for applications that express creativity and impact the greatest number of students. Those applications that exhibit strong connections to the district's courses of study and that encourage integration with other curriculum areas are the most desirable. We encourage teachers to combine their talents with the WEF funding for the benefit of the students within our school system.

Applications should be sent to the Administration Building addressed to:

Westlake Education Foundation
c/o Pam Griebel
27200 Hilliard Blvd.
Westlake, Ohio 44145

If you would like more information, please contact Pam Griebel at the Administration Building or go to www.WestlakeEducationFoundation.org.
